Fill Out Your FAFSA

To receive student financial aid, you need to fill out a Free Application for Federal Student Aid (FAFSA) every school year.

FAFSA on the Web allows you to complete and submit your financial aid application electronically.

First Time Applicants:

- Review and print the list of [Documents Needed](#) to complete the FAFSA.
- Print and complete a [FAFSA on the Web Worksheet](#).
- You and one of your parents (if you are a dependent student) will have to sign your application. The application process *is faster* if you use your PIN to sign electronically. If you don't already have a PIN, you can apply for one within the application.

TIP: A PIN is not required to fill out and submit a FAFSA, but using a PIN is the fastest way to sign your application and the process of obtaining a PIN is easy. Select [PIN Information](#) for general information about applying for a PIN.

If you are applying for a summer session, check with your school to verify which application you should complete.

FAFSA on the Web Submission Confirmation

Congratulations, John! Your FAFSA on the Web Application was successfully submitted to Federal Student Aid.

You can check your status, or make corrections or updates to a processed FAFSA at www.fafsa.gov.

Your 2010-2011 Confirmation and Student Aid Eligibility Information (Print, e-mail or write down the following information for your records)

Confirmation number: F 010161489 02 02/08/2010 22:55:59 Data Release Number (DRN): 9999

Estimated Expected Family Contribution (EFC) = 99999

The EFC is an index that schools use to determine your eligibility and is not the amount of money that you have to pay.

Based on your EFC of 99999 you appear to be eligible to receive the following:

- A [Federal Pell Grant](#) of up to \$5550. Grants do not have to be repaid; they are free money to help with the cost of college.
- An [Academic Competitiveness Grant \(ACG\)](#) of up to \$750 for your first undergraduate year or up to \$1300 for your second undergraduate year.
- [Low-interest federal student loans](#). The amount of these loans depends on, among other things, your year in college, the cost of attendance at your school, and what other student aid you will be receiving.
- You may also be eligible to receive other federal, state, or institutional grants, scholarships, and/or work-study.

****This is an estimate based off the original EFC. The school will determine the actual amount****
